Supply Good Quality Methyl anthranilate CAS 134-20-3

Basic Info.

Synonyms:

Methyl 2-Aminobenzoate; Methl-O-Aminobenzoate; 2-Aminobenzoic acid methyl ester; Anthranilic acid methyl ester; Anthranilic acid methylester; 2-amino-3-methylbenzoate

CAS No.:	134-20-3
Formula:	C8H9NO2
EINECS:	205-132-4
Appearance:	Colorless crystal or light yellow liquid
Grade Standard:	Industrial
Colour:	Yellow
Transport Package:	25kg/Drum, 200kg/Drum
HS Code:	2922499990
Storage:	Cool Dry Place
Origin:	China

Used

Methyl ortho aminobenzoate is an organic compound with the molecular formula C8H9NO2. It is a colorless crystalline or light yellow liquid with a grape like odor. Long term exposure discoloration can evaporate with water vapor. Easily soluble in ethanol and ether, ethanol solution with blue fluorescence, soluble in most non volatile oils and propylene glycol, slightly soluble in mineral oil, slightly soluble in water, insoluble in glycerol. Used for synthesizing spices, drugs, etc.

Company information

Xiamen Ditai Chemicals Co., Ltd is a professional chemical company in C-ve, Agrochemical, Fertilizer, pharmaceuticals, water treatment and Minerals. Our management team has over 17 years of combined expertise meeting the needs of clients. We are proud our quality chemicals and service was approved by the clients in the worldwide.

Xiamen Ditai Chemicals Co., Ltd is an ISO9001:2008 certificated organization. We always pay attention to the quality control. For us, quality means satisfied clients. Only by constantly improving our internal and external procedures are we able to remain a reliable supplier of chemicals for our clients worldwide. Every step of the distribution chain is constantly checked and rechecked to guarantee the quality. Through continuous improvement in quality and service, we will provide our customers with products of optimum quality consistent with their requirements.

Besides the quality, we think the competitive price of goods is also important. Our comprehensive distribution network, buying power and efficient inventory management system allow us to offer our products at the best possible prices. Our principle is: Quality Chemicals With Competitive Prices - We Supply!

Up to now many of our chemicals have been done REACH final registration. It is convenient for the clients to use our chemicals in Europe market.

Your satisfaction is our most interested thing. Also your any suggestion will be highly welcome by us. Now enjoy your visiting and hope to hearing from you!
